

ADDENDUM NO. 1

Project: Nebraska State Laboratory Window Replacement

Issued: May 23, 2014

Bid Date: Thursday, May 29, 2014 at 3:00 pm

This Addendum is issued to all known plan holders before receipt of proposals.

The following shall be included with, and considered a part of, the original contract documents to the same extent as if they were included therein, for the construction of the above mentioned project. The Project Manual and Drawings shall be modified or revised as herein described. Where at variance with the original work, this Addendum shall have precedence.

This Addendum modifies the original Bidding Documents. The Bidder must acknowledge receipt of this Addendum in the space provided on the Proposal Form. Failure to do so may subject bidder to disqualification.

ARCHITECTURAL ADDENDA ITEMS:

- AD1.1.** Contractor shall be required to provide a dust enclosure at interior side of windows during replacement to ensure a dust-free work environment in the building during construction.
- AD1.2.** No window openings may be left open overnight.
- AD1.3.** Miscellaneous window blinds, books, equipment, etc. in the way for replacement of windows shall be removed by the Owner.
- AD1.4.** Construction dumpsters and worker vehicles shall be allowed in the south parking lot on the property. The Owner will work with the Contractor to confirm exact locations within this parking area.
- AD1.5.** Contractor shall provide portable restroom facilities in the south parking lot for construction crew use. The building restroom facilities will not be available to the Contractor.
- AD1.6.** The Contractor shall be allowed to use exterior power outlets for use with power hand tools.

END OF ADDENDUM NO. 1
